

Self-Declaration of DRC Conflict Free

For the purpose of this Declaration,

“Conflict Minerals” means columbite-tantalite, also known as coltan (metal ore from which tantalum is extracted), cassiterite (the metal ore from which tin is extracted), gold, wolframite (metal ore from which tungsten is extracted), or their derivatives, which through their sourcing, mining, extracting, producing, supplying, transporting, trading, handling or exporting, etc. have either knowingly or unknowingly, directly or indirectly been of benefit to illegal armed groups in Democratic Republic of Congo and its adjoining countries (Angola, Burundi, Central African Republic, The Republic of the Congo, Rwanda, South Sudan, Tanzania, Uganda and Zambia).

“DRC Conflict Free” means the products that do not contain any of Conflict Minerals.

We, EREĞLİ DEMİR VE ÇELİK FABRİKALARI T.A.Ş., guarantee that our steel products are DRC Conflict Free in any step of its supply chain, so that the final customer in the supply chain can be confident its products are produced from minerals which are DRC Conflict Free.

We will also monitor our next suppliers to follow the DRC Conflict Free policy sets out herein.
